Will you change how you practice as a result of this activity?

Yes = 12

If yes, how? If no, specify.

- I will change the way I talk with clients about sex.
- Talk to my children early about sex; Integrate masturbation story into sexual health presentations – 5 condom
- Include discussion of quality of sexual activity
- Would love to have her speaker @ my campus
- Great! Super! You have a great gift/mission!

How could this activity be improved?

- Great – thank you!
- Nothing – excellent!
- Excellent
- Great presentation
- Hold it during the day so more attendees would have seen it
- I noticed that some people left 2 participants appeared to be offended by the language and material and were from a conservative religious school – but there were so many who connected to her somewhat over the top speaker/comedian
